

## Yes, I want to sponsor a kennel.

Kennel Sponsorship Programs provide a great opportunity for families, communities, group organizations and companies to make sure our homeless animals have the best care and stay at the shelter.

Stepping through our kennel doors can be a frightening moment for the homeless animals. But it also signals the first step on their journey to a loving, permanent home. Sponsorships provide the shelter, handling, basic medical and vaccine expenses and kennel/cage needs of our animals. Donations will directly benefit the animals.

A personalized plaque will display your generosity for an entire year. As well as recognition on TCHS website and in select shelter materials and will not only show your generosity, but will also encourage others to consider their own sponsorship. It's a great way to publicly recognize your commitment to helping homeless animals in the community.
